We are looking for volunteers to serve as childcare workers through the school year for our monthly meetings, which occur on the 2nd Monday of each month from 9:00 to 11:00 am. This is a great opportunity for older home school kids, parents with kids in school, grandparents, and others. You may volunteer or be paid minimum wage for your time. For more information, contact Sarah Prink at snprink@gmail.com or 971-506-8087. Please also let me know if

you want to join as a mom!

VOLUNTEER FOR MEDICAL TEAMS INT'L | SEPTEMBER 11, 12 & 13

Medical Teams International seeks volunteers to help our Humanitarian Response Team prepare for a disaster by role playing in realistic simulations at our bi-annual HEAT+ training at Camp Tilikum! HEAT+ (Hostile Environment Awareness Training and Humanitarian Principles) is Medical Teams International's training for applicants interested in serving on our Humanitarian Response Roster and responding to emergencies with us in the field. Throughout the week, participants are trained on topics such as security awareness and field safety skills. They then practice their skills in realistic simulation exercises. That's where we need you! Volunteers will participate as community members in fictitious international settings. Each opportunity to help is only a couple hours and you can help more than once if you'd like. See the flyer in the foyer for more information. Ready to apply? Fill out interest form HERE. Questions? Please email us at volunteer@medicalteams.org
