

NORTH VALLEY FRIENDS CHURCH ANNOUNCEMENTS | June 17, 2020

Good afternoon friends - Blessings to all of you! The elders met last night and have agreed that we will wait a month to discuss gathering outside to worship. With the rate of Covid cases rising rapidly we did not feel as though meeting together in person outweighed the risks. We agreed to discuss this at our July meeting as well as see if there are some small group ways to be together in the meantime. Peace to you friends, Leslie

Andrew & Leanna Gracey

A note from Leanne - I accepted a job offer last week in the Bend/Redmond area, and so we will officially be moving! We put an offer on a house, and if all goes well we will likely move at the end of July (so pretty quick!!). We would love prayers for low stress, seamless moving, flexibility, and time management during this time - there's A LOT to do, but I'm confident we can get everything done.

We have been very blessed by this church, and are very sad to leave you all (though we're confident this is very much the next right step for us).

Let us know if you have any questions (and if you have any moving boxes!), Leanne for the Graceys

Ecumenical Ministries of Oregon & Bill Post

We have an opportunity to meet with Representative Bill Post before he goes into special session next Wednesday. A note from Cherice Bock regarding this opportunity: The focus will be on housing and homelessness, particularly as relief during the COVID-19 shutdowns, and also in general supporting people without homes in Oregon. We can also share other things with Rep. Post about the special session if we want. People should contact me if they want to meet with Rep. Post and we'll come up with a time that works for everyone. You can email Cherice at cbock@emoregon.org. This meeting will be arranged quickly so reach out to Cherice ASAP if you're interested.

Kids Ministry, Summer 2020, Community Input

Hello friends! As we plan for the coming summer months, it would be helpful to know what kind of pastoral support would be most helpful for kids in the NV community. Would you please fill out this short input form? Thank you to everyone who has already responded. The feedback is very helpful! --Kim
