Fall Weather Plans for Gathered Worship (including this Sunday)

Our plan moving forward through the fall is to determine by Friday noon (based on weather prediction) if we'll be outside in person or only on Zoom. This decision will be based on two factors:

1. If the predicted temperature for 10:45 am on Sunday is above 60° AND
2. If it will be dry.

We are aware that it's very likely to be raining this Sunday morning. If that is the case, we'll be on Zoom this week. Thanks for flexing with us with these factors of the pandemic and weather that are out of our control!

- **IF Worship is in Person**

Worship in person and on zoom will be at **10:45 am** on Sunday. We will have hand sanitizer and masks available should you need one. *Masks are required for public outdoor settings so please keep your mask on for the service.* We will continue to have the tithe box, name tags and Awesome kits in the carport. Feel free to bring a blanket or lawn chairs. We also will have chairs available.

- **IF Worship is only on Zoom**

Zoom worship will be at **10:45 am** on Sunday. An email announcement will go out on Friday afternoon and will include the Zoom link for Sunday.

Uke Sunday this week, September 19

Our plan this Sunday is to have our music be led from ukelele, something we did in June with the intention to honor all the folks who played along with their uke's during zoom worship in the pandemic. So, if you are interested in playing uke, please feel free to bring your instrument to worship together on Sunday morning. The chords were sent to the google group earlier today. Check in with Nate if you need a copy.

Prayer for the school year

During gathered worship on Sunday adults randomly took the name of a student to hold in prayer during this school year. Kids ages 0-18 were also invited to come & pick out an eraser to keep in their binder as a reminder that "God loves you and your church is praying for you". We still have some names that need an adult to pray for them as well as some erasers to give out. If you'd like the name of a student to pray for or if your student didn't get an eraser, please reach out to Leslie Murray at Leslie@northvalleyfriends.org to get connected!
