THANK YOU NOTES AND GIFTS FOR OUR PASTORS AND STAFF

The elders invite you, the NVFC community, to find a creative and meaningful way to reach out to our pastoral team and thank them for their ministry and work in our community.

On Sunday we began a hybrid style of worship with some friends in person in the sanctuary and others were online in the zoom meeting. I am so thankful for the ways in which our pastoral team has guided us throughout this pandemic. We are truly fortunate to have a collection of pastors who are so creative and caring.

We are collecting cards and gifts at the meeting house during the season of Advent. We will have cards available for people to use or you can bring your own. These will be due by **Sunday, December 19th**. You can also mail your card and gift to the church. (Checks should be made out to NVFC with the memo: pastoral gift.)

Here's a reminder list of the pastors and staff that would love to receive a thank you note from you: Leslie Murray, Nate Macy, Sammy Sanders, Emily Cammack, and Erinn Hampton.

Please feel free to reach out to an elder if you have any questions.

Noël Carey (clerk), Melanie Mock, Jered McConaughy, Forrest Cammack, Evelyn Myers, Jim Sanders

BUSINESS MEETING | DECEMBER 15, 7:00 PM (AT NVFC)

The City of Newberg is interested in purchasing part of the NVFC property along Bell Rd. to site a future pump station. This will be the primary topic of our upcoming meeting on December 15 so please mark your calendars.

GATHERED WORSHIP HYBRID IN PERSON (AND ON ZOOM)

We are meeting in person on Sunday mornings and on zoom for those who need to stay home. We are committed to finding ways to make our hybrid model as connective as possible. In order to keep each other safe as we gather we are expecting that we will honor these shared values:

We expect that we will all wear masks the entire time we are inside.

- ❖ We will have people sit in small family groups/pods with space between groups. We expect children to stay with their family groups, we will not have children's programming for the time being.
- ❖ We hope that people would find their spot and generally stay there during meeting.
- ❖ We expect that the community can agree that adults who come should be vaccinated.
- ❖ We expect that people would not come if they AND/OR any family members they live with are having any COVIDish symptoms.
- ❖ No eating or drinking in the building.
- ❖ Ushers will seat every person.

LESLIE OUT OF THE OFFICE

Leslie is in Kenya visiting Shawn & Katrina McConaughy and will be out of the office through December 8. Please contact another one of the pastors or the office if you need anything during that time. Thanks!

BECOMING MORE GENEROUS | DECEMBER 9TH EVERENCE/ FUM WEBINAR

Studies show that generosity is good for us. It adds to our sense of well-being, enhances our overall health, brings new meaning and purpose to our lives, and can even cause us to live longer. And in a world full of so much need, our generosity is also a great blessing to others! For those of us seeking to be faithful to God, generosity is also a fruit of the Spirit we are to cultivate as we grow into the image of Christ.

Most of us wish to be as generous as possible. We understand our calling to steward the resources God has entrusted to us in ways that bring glory to God and good to others. In addition, we want to support our congregations and those organizations that are making a difference in the world. Sometimes, we need help figuring out how to best act on this interest.

Join Everence Financial Planner Dennis LeFevre and FUM Advancement Officer/Everence Steward Consultant **Colin Saxton** to explore creative options for generosity. *Becoming more generous through creative giving tools*, an Everence/ FUM webinar on Thursday, December 9th from 3-4:30 pm Eastern Time.
