### **Learning and Growing Grant 2022**

It's time again for the Learning & growing grant application process. Are you a young Friend between the ages of 17-26 with an upcoming opportunity to learn? Is there a conference that excites you? Are you beginning to think about taking a college class to learn a new skill, or jumping full speed into the rhythm of collegiate academia? Maybe there is a unique experience that excites you about exploring Creation and yourself? North Valley would love to support you! We invite you to consider applying for the Learning and Growing Grant to be awarded a financial scholarship to help you experience, learn and grow. The policy and application are attached to this email.

### **ARTICLE ABOUT ANGELA WOLD AND HER NEW TINY HOME**

Take a look at the [newspaper article written about Angela](#) and the tiny home she helped design for herself. The article is also posted in the meeting house foyer. We are excited about the new home ownership for Angela!

### **MEMBERSHIP CLASS**

If there are folks that are interested in becoming members at NVFC, please reach out to Leslie Murray or Nate Macy. If we have enough interest we will host a membership class in the near future. If you'd like to learn more about NVFC or Friends this is a great way to do that! At NVFC we see membership as a great way to publicly say "I want y'all to be a part of me and I want to be a part of you".

### **CHILDREN'S CHURCH**

We will restart in person Children's Church upon Emily Cammack's return from maternity leave, probably sometime in May. Watch for a start date!

Are you a trusted adult that enjoys assisting in children's worship? Would you like to be on a rotation of volunteers to support Emily as she leads Children's Church? If so, please reach out to Leslie Murray so she can run a criminal history check and make sure your Ministry Safe certification is up-to-date. We'd love to have a whole host of volunteers ready when Emily returns!

### **SUMMER WEDNESDAY WITH FRIENDS**

We begin regular midweek meetings TONIGHT, May 4th and will continue through the end of June to see if this meets a need for connection and fellowship within our church body. The Wednesday schedule will start with a bring your own food to BBQ dinner from 5-6:30 pm and then group gathering options around the ideas of create, play, discuss and space. No separate childcare provided.

### **MISSIONARY FAMILY LOOKING HOUSING FOR THE MONTH OF AUGUST**

We're looking for an affordable housing option for the two of us and our daughter Meena in the Newberg area for the month of August. We work in India where, through our local church's non-profit, we serve with homes for boys, teenage girls & women vulnerable to trafficking. Our son Sawyer will marry Victoria (just graduated from Fox) on August 27, and will be spending their first year of marriage in Newberg, and we hope to spend most of August in Newberg, as they prepare for the wedding.

Might anyone need house sitters for the month of August or have a basement available where we could invite people over and do our own cooking? Or do you know of another church in the area that has an apartment that can be used by workers normally assigned overseas? We can adjust with even just 1 bedroom and a living room—though 2 bedrooms are ideal. We can pay rent, though the prices on AirBnB for month-long stays in the area are way out of our budget! —Roger & Hiroko Seth [rogerthat8@outlook.com](mailto:rogerthat8@outlook.com)
