BUSINESS MEETING UPDATE

The elders would like to thank the congregation for their trust and for those who participated in last week's business meeting. We were able to present a job description for a full-time senior pastor and a half-time youth pastor for which we received approval from the congregation following approval from the elders and the AC committee. This will allow the elders the opportunity to refocus our attention on the development of an interview committee and intentional interview questions, while continuing to be sensitive to our visioning process. Minutes from last week's meeting are attached.

WORK DAY | SATURDAY, OCTOBER 26

The Scout troops that use our building are having a work day at NVFC this Saturday, October 26th at 9:00 AM and anyone is welcome to join in the fun!

DR. DAVID NIYONZIMA @ NVFC | SUNDAY, OCTOBER 27

This Sunday, October 27th, we have invited Dr. David Niyonzima to share with us during programmed worship. Dr. Niyonzima is a pastor and professional psychotherapist who founded *Trauma Healing and Reconciliation Services (THARS)* in 2000 to promote psychological approaches to rebuilding communities after the atrocities in his home country of Burundi. He will speak about his experience of the genocide, and how God called him to promote reconciliation rather than taking revenge into his own hands. We are excited to host Dr. Niyonzima as he speaking in various churches this month to fundraise for his work in Burundi and share his message of trauma healing, reconciliation, and peace.
