MEETING FOR WORSHIP FOR BUSINESS

North Valley Friends Church's congregational meeting for worship for business last night (June 17) felt led to approve the following proposals:

- * Approving 3 new members
- * Approving appointments to positions and committees
- * Approved accepting a proposed release of claims from Veritas' attempt to exercise a right of first refusal relating to the city's offer two years ago (since withdrawn) to buy 1/10th of an acre to install a pump station to supply water to the neighborhood. The wording of the release of claims approved by the meeting has also been endorsed by the chair of the Veritas board of directors, who are expected to also approve the document.
- * Approved the proposed budget for 2025 -2026 (attached)

The Meeting also heard from the Elders about the search for new pastoral leadership. The elders hope to have names to bring before the congregation for approval at a special congregational meeting in July (date TBA). Larry Hampton also gave a report regarding our hook-up to city sewer (completed) and city water (nearing completion).
