MEETING FOR WORSHIP FOR BUSINESS - WEDNESDAY, APRIL 15

All members and regular attenders are encouraged to attend our next business meeting, next Wednesday, April 15th at 6:30 pm in the sanctuary. While there are no decisions on tap, this meeting will be a crucial opportunity for NVFC members to catch up with the latest developments on important issues. I urge you to come so you can be praying and reflecting on what God might have in mind for us. And because Colin has promised there will be ice cream.

~ Ron Mock, Presiding Clerk

The agenda includes updates from the Land Use Task Group about a potential land sale, reports from the elders about the congregational survey and leadership structure evaluation, and financial reports. The full agenda and supporting documents for next week's meeting are attached. If you'd like copies of the financial reports, please contact the office.

SUPPORT FOR THE DROP-IN CENTER

We have an opportunity to help the drop-in center! They typically serve between 25-40 people every day. They are hoping that some folks at North Valley would be willing to make a meal that can be frozen. I (Leslie) would be happy to deliver any meals if that is helpful. Let's work together to support the good work the drop-in center does in our community! Please reach out to Leslie Murray with any questions or to deliver meals. Thank you so much!

CIVIC FRIENDSHIP IN A POLARIZED AGE - THURSDAY, APRIL 16

In an era often defined by deep ideological and political divides, George Fox University will host a rare conversation between two of America's most influential public intellectuals on opposite sides of the political spectrum. Close friends and former Princeton colleagues, Dr. Cornel West and Dr. Robert George, will discuss the topic "Civic Friendship in a Polarized Age" at 7 p.m. on Thursday, April 16. The free discussion, open to the public, will take place in Bauman Auditorium. Due to limited seating, reservations for the complimentary event are suggested.
